### **General Information**

The event will take place on Secret World's land. We would encourage early booking of stalls and pitches to avoid disappointment. Please note that there will be limited generator electricity for this event for Main Marquee stands on outside walls. There will be workshop space available during the event. Please see booking details for more information.

We have listened—and taken into account the opinions of many people, healers and healing organisations and tried to create an event which respects the views, goodwill and spirit of event supporters. Fees and charges reflect this feedback. To make it work requires goodwill and integrity, which we know we all share. Please see booking details for more information.

Local accommodation can be sourced via Secret World's web site [www.secretworld.org](http://www.secretworld.org). There are also numerous holiday parks in area & Camping is available at Secret World with shower facilities. Directions to the site can also be found on their web site.
